Private & Tailored Onboard Programs on:

Yacht Maintenance

- ✓ This program is provided on your yacht and with the equipment that are installed onboard, so that you can take full advantage of it
- ✓ Review any specific piece of equipment and create a maintenance plan for it
- ✓ A practical maintenance program will maximize operational up-time & life of the item
- ✓ Develop a comprehensive maintenance system specific to your yacht to:
 - Reduce cost of maintenance
 - Prevent critical failures
 - Have great tracking & record keeping
 - Ensure regulatory compliance (MARPOL) if heading to Europe
 - Increase safety & comfort
- ✓ Avoid spending your boating time fixing things!
