## Passage & Pilot Planning

- ✓ Preparing for a major passage to an unfamiliar or a foreign port can be a significant sailing, navigational, and bureaucratic challenge
- ✓ Good planning and preparation will make the trip enjoyable, safe, and the clearance procedures smooth at the arrival port
- ✓ Failing to do so could result in an expensive and time-consuming process, legal problems and/or even being denied entry at your destination port
- ✓ Templates and on-line links are made available to students
- ✓ Learn from the first-hand experiences of the instructor who has visited over 40 countries by boat, many of them multiple times
- ✓ Choose topics of interest from the full list of topics below or choose a pre-established program level
